What our patients say

"I've been working with DD for over a year, and my A1C levels have improved! They are fully covered under my insurance, so I haven't paid out of pocket at all for services. No exaggeration that working with them has been life-changing. Thank you DD!!"

"Signing up with them was the best thing I could have done to set realistic goals and feel more empowered."

"These folks are the best! I enrolled in their 12 week program for type 2 diabetes and my A1C has decreased significantly."

"I've never been excited to work with a dietitian until now :)"
